"THE BARRIER" STAGE PICTURE OF NORTH LAND

GREAT SUCCESS PICTURES THE
BRIGHT SIDE OF LIFE
IN ALASKA.

Alaska, the new Eldorado, is the scene chosen by Rex Beach for his great drama, "The Barrier," which comes to the Nevada theater on Thursday, February 23, for one performance only.

This stage success is not, how-

ever, the popular conception of Alaska as a place of eternal snow, but the beautiful Northland in summer, where the day never ends, and everything suggests the warmth of springtime in this home of the midnight sun.

The book has had an enormous sale and the story in play form held the metropolitan audience of New York for one entire season. Owing to the theatrical war, which has raged for some time, the original tour to the Pacific coast was cancelled, but now that peace has been declared, Klaw & Erlanger's New Amsterdam theater success will now make its original transcontinental tour, appearing here on Thursday night.

TAXATION IS SUBJECT OF NEW MEASURE

BULLION TAX COLLECTOR ABOLISHED AND A TAX COMMISSION SUBSTITUTED.

CARSON CITY, Nev., Feb. 21.—Assemblyman Merritt of Churchill county yesterday introduced in the assembly what is understood to be the administration measure on the subject of taxation. The bill proposes to abolish the office of state bullion tax collector as well as the board of assessors, and is drawn on the lines suggested by Governor Odell in his recent message to the legislature.

It proposes the substitution of a tax commission to be composed of five members, including the governor, the state treasurer, the controller, the attorney general and the senior member of the railroad commission. An interesting feature of the bill is a clause which provides for the removal of members refusing to vote either aye or nay on any or all questions coming before the commission. In case of such refusal, the member will be suspended or removed and the vacancy filled by the surveyor general after him the secretary of state.

The commission will have jurisdiction in matters of taxation over all companies operating as common carriers within the state. The central object of the bill seems to be to bring the entire taxing power of the state within control of the commission. The office of state fiscal agent is created and this official will be charged with the responsibilities now resting on the bullion tax collector.

The fiscal agent will also act as secretary to the tax commission but will have no vote. His salary is fixed at \$3000 per annum. The bill carries an appropriation of \$10,000.
